Reference for Dental Surgery built by Brendon Fitzgerald of Fitzgerald Projects.

In late 2006, Brendon Fitzgerald from Fitzgerald Projects began an extensive renovation on our premises in Railway Walk, Hampton, to develop a four surgery Dental Practice.

We found Brendon to always be honest, reliable and able to work within our agreed timeframe. He was easy to work with and we have been very happy with the results of his work.

We would happily recommend him for any similar development.

Yours sincerely,

Dr Amanda Lawrence and Dr Andrew Wood
