TO WHOM IT MAY CONCERN**Re: Brendon Fitzgerald (Fitzgerald Projects)**

We worked with Brendon through the first half of 2004 on the upgrade of our Café and Nursery. Brendon provided us with advice both on designing and planning the project. His unique combination of building, small business and hospitality experience was a valuable asset in meeting the challenge of completing the project with minimum disruption to the day-to-day operation of the business. The process was a smooth and pleasant experience with great organization and scheduling of the works with regular communication and follow-up.

Brendon's practical and honest approach and style made the project a great success from our perspective.

I would have no hesitation in working with Brendon again on any future building or project that we were contemplating.

Yours sincerely,

DAVID HOWARD
